

## **FAO-Based Responsible Fisheries Management Certification**

### **Announcement of Site Visit**

July 2011

Global Trust would like to announce the site visit for the following fishery.

Application submitted by: Alaska Seafood Marketing Institute, Juneau, Alaska

### **UNIT OF CERTIFICATION**

<b>*Proposed Unit of certification</b>	<b>U.S. Alaska pollock (<i>Theragra chalcogramma</i>) commercial fishery, Gulf of Alaska and Bering Sea &amp; Aleutian Islands</b>
--	--

The purpose of this stage is to collect information on the fishery and in particular, to speak directly with representatives of this fishery, fishery management and associated bodies allowing an opportunity for information exchange and clarification of details specific to the management of the fishery.

In order to verify aspects of the assessment directly, the visit will take place over the period August 14<sup>th</sup> to August 20<sup>th</sup> 2011.
